VISVAM TR

Software Developer

Phone: +91 63745-85427   **Email: visvam2003@gmail.com**   **Location: Bangalore**

Summary:

Dedicated and enthusiastic Full Stack Developer with a strong foundation in both Front-end and Back-end technologies. Proficient in **HTML, CSS, JavaScript, React JS, Python** and **MySQL**. Experienced in developing responsive and user-friendly web applications. Strong problem-solving skills and a passion for continuous learning in the ever-evolving tech landscape. Committed to leveraging coding skills to contribute to dynamic development teams and create innovative solutions.

Online Profiles:

Portfolio   **Linkedin**   **Github**

Projects:

1. User Interactive Billing System **(PYTHON)**

   Outcome: Developed and implemented a highly intuitive and user-friendly interactive billing system, resulting in streamlined processes, increased customer satisfaction, and improved overall efficiency in financial transactions.

2. **Mobile Shop Website** (HTML, CSS, JavaScript)

   Outcome: I Developed a secure and user-friendly Web Application for Walk & Talk Mobiles, incorporating a robust user authentication system. The application caters to desktop users, allowing them to login, view their username, and logout seamlessly. The interface is designed to dynamically adjust based on the window size, ensuring an optimal user experience on various screen sizes. Additionally, for a Mobile users a streamlined login process has been implemented, specifically tailored for smaller screen size to enhance accessibility and usability.

3. **Login Page** (HTML, CSS)   4. **Student Registration Form** (HTML, CSS)

Expertise: HTML, CSS, JavaScript, React JS, Python, MySQL, GIT, GITHUB

Personal Skills: Team work, Problem Solving, Communication, Time Management
